General Report

We have successfully completed 1st semester in new building of 2010 -2011 academic year Shri G.D.Shah School is shifted from old Setavad building to new building at Maneknagar area, near Victoria Bridge.

We also launched new English Medium Primary and Preprimary Schools in 2010-2011 academic year in new building. The response of parents is highly encouraging. The details of functioning and school's activities will be soon on our Website www.gdshahschool.com .wide 3 principals reports.

Future Expansion

In academic year 2012-2013 we will start Gujarati Medium Primary and Pre Primary Schools in new building.

Now that we have our own big play ground,we will start many sports activities like Table Tennis, Badminton, Football, Volleyball, Cricket and Indian Games like Kabbadi and Kho-kho etc.

Your visit to our schools will be highly appreciated. Once again on behalf of donation committee, trustees, myself, we sincerely thank you very much for your kind co-operation.

On behalf of all trustees and donation committee

Thanking You.

yours faithfully
for H.G.Shah Mem.Trust

Dear Sir,

Sub.:- Final construction and progress report of school.

We thank you very much for your financial, moral and encouragement for our

new project of Shri G.D.Shah High School.

We, trustees, are pleased to respectfully submit underneath construction report showing expenses of the project.

	Rs.	
(1) Building with compound wall expenses already paid	2,00,00,000=00	
(2) New class rooms furniture admn. rooms fixtures	40,00,000=00	
(3) Ground leveling expenses	3,00,000=00	
(4) Sundry payments	5,00,000=00	
(5) 68000 Sq.ft land cost	40,00,000=00	

(two crores eighty-eight lacs)

Rs 2,88,00,000=00

A

⇒ Items of which payments yet to made

Rs.

(a) 6000 Sq.ft paver tiles material and fixing cost	2,50,000=00	
(b) labour cost yet to be paid	4,00,000=00	
(c) Interiors of rooms other than class rooms	5,00,000=00	
(d) Proposed Garden, small Farm and audio-visual aids	5,00,000=00	
(sixteen lacs fifty thousand)	16,50,000=00	B

Total A + B

2,88,00,000 + 16,50,000 =

3,04,50,000=00

Thus the whole project cost will be Rs. 3,04,50,000=00
(Three crores four lacs and fifty thousand)
